OPPORTUNITIES

We are looking for hardworking turf students who want to join our staff. For the right individuals there are great opportunities for advancement at Oakland Hills.

Chemical and fertilizer application

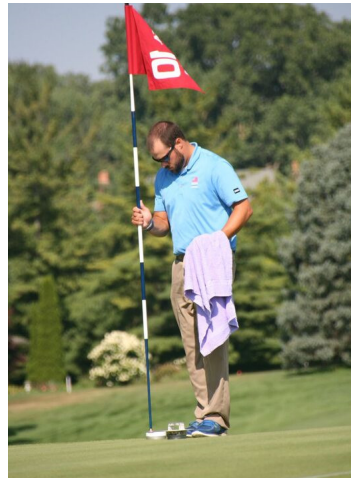

While at Oakland Hills, employees will participate in all facets of the golf course maintenance required to maintain two championship golf courses at the highest level.

Drainage Project #7 North

In addition to standard maintenance, cultivation practices, and tournament preparation, Oakland Hills is scheduled for a Gil Hanse renovation project on the South Course beginning October 2019. The project is currently in the planning stages regarding soil mixtures, grass types, and irrigation design. The grounds staff at Oakland Hills Country Club will be greatly involved in all planning processes.

The North Course, at Oakland Hills, is held to the same championship standard of maintenance as the South Course. The North Course will host the 2019 Michigan Amateur Tournament (June) offering a great opportunity for tournament planning and set up.

What's Oakland Hills looking for?

Turf students and / or recent graduates dedicated to maintain two championship golf courses, with the desire to move up within our staff.

Benefits?

Housing and golfing privileges as well as the opportunity to experience many practical facets of golf course maintenance, including: cultivation, irrigation maintenance and water management, fertilizer and chemical application as well as tournament preparation that will prove invaluable in future endeavors.

Oakland Hills Country Club is looking to provide employees with the tools necessary to become successful assistants and superintendents. Our goal is to promote these employees through our organization or other top golf courses in the country.

Where do I sign up?

Send resumes to: Phil Cuffare – Director of Agronomy
