

Educational Requirements:

Pursuing degree or certificate in Turfgrass Management or related field.

Experience Requirements:

Previous golf course experience is preferred, but not required.

Comments:

Conway Farms Golf Club is a private, golf only facility located in Northern Illinois approximately 30 miles north of downtown Chicago. Conway is a Fazio design and opened for play in 1991, although fairly young many events have exposed the club nationally. Some events include the 1997 Men's Division 1 Championship, 2009 Western Amateur, 2012 US Mid-Amateur, 2013 BMW Championship, 2015 BMW Championship, and will host the 2017 BMW Championship.

Candidate will work closely with superintendent, assistant superintendent, crew foreman, and mechanic. Candidate will be expected to carry out any and all jobs assigned with great detail and attitude. Applicant will be encouraged to obtain an Illinois Pesticide Applicator License.

Candidate does not need to be credited an "Intern". We will accept applications from students within the turf program that aren't scheduled for internships, but would like a summer job and experience.

This is a great opportunity to expose yourself in what it takes to maintain at tournament level day in and out.

Candidate will also have the opportunity if presented to move into a full time position after internship.

Housing, lunch, and golf privileges will be provided.

Date Available:

March 2018

Application Instructions:

Connor Healy, MBA

Golf Course Superintendent
