

## Internship at Shoreacres

### Club Overview

- Shoreacres was established in 1916 and just recently had its Centennial celebration.
- The course was designed by Seth Raynor and opened for play in 1921.
- The club is located on Lake Michigan, on a 156 acre parcel of land.
- We are located an hour drive from Chicago and Milwaukee.
- It was recently restored to its original design under the watchful eye of Tom Doak.
- Consistently ranked in the top 100 in various golf publications.
- We have a small, exclusive membership that enjoys firm and fast conditions.

### The Internship

- You will be an integral part of our maintenance team.
- The interns will continue to help make any changes necessary in ongoing restoration work in preparation for the Centennial year.
- Each intern will be involved in all facets of the golf course maintenance including: irrigation repair, maintenance and programming, fertilizer and pesticide calibration and application, handwatering, topdressing and various cultural practices.
- Each intern will schedule and lead the staff for at least one week.

14 green, the "Redan" hole

- The right candidates will learn a great deal about architecture, the work of Seth Raynor and should have a keen eye for detail.
- The internship will include a week long volunteering stint at a Senior PGA Tour event, trips to other clubs in the area, classes involving the management staff as well as weekly management meetings.
- You will be a part of a highly motivated, fun and fast paced staff that will help you to build the foundation to be successful in the rest of your career.

15 green, the "channel" hole

- The internship includes \$10.00 an hour, free on-site housing, uniforms, golfing privileges, meals, and potential employment upon graduation or assistance finding employment at another facility.
