

Wolf Creek

Internship Opportunity

Wolf Creek Golf Club

Educational Requirements:

Pursuing a degree in Agronomy, Turfgrass Management, Golf Course Management, or related field.

Experience Requirements:

1 or more years of golf course experience is desired, but the right person with a **great attitude, knowledge, and a desire to excel and have fun** will be considered. A knowledge of the game of golf is essential, but a scratch handicap is not required.

Special Requirements:

- Great Attitude and Passion for the job!
- A willingness to have fun and learn from mistakes!
- Time conscious – Late doesn't work!
- Knowledge of the game of golf, or a desire to learn!
- An understanding of the expectations of a private golf club!
- An eye for detail!
- A sense of urgency!
- Spanish speaking is a plus, but not mandatory. An understanding of the Hispanic culture is key!
- Goal of becoming a Superintendent!
- A minimum of every other weekend will be required!
- Good work-life balance!

Salary: \$11.00/hour

Duration: 3-month minimum

Benefits: Uniforms, meals, golf privileges. **STRONG POSSIBILITY FOR HOUSING ON SITE!**

Comments Concerning Club, Course, Company: Wolf Creek is an exclusive, private 18-hole golf club that is looking for an intern. The club is regionally recognized for its “players golf course” and is proud of its many accomplished amateur golfers and five current members of the PGA Tour/Champions Tour whom are members.

We are a true golf club – there is no pool or tennis at Wolf Creek. Our focus is on providing our members the very best conditions in an atmosphere that keeps them engaged. An “outside-the-

box” thinker would excel here – there are no tee times so we must be ready for anything at any time. We aren’t looking to be the same as everyone else – a desire to do cool things, come up with unique ideas to solve problems, engage the membership and provide outstanding playing surfaces is what we are looking for!

The Intern will work closely with the Golf Course Superintendent and Assistant Golf Course Superintendent and will be given as much latitude as possible to make our course awesome! Passion, Attitude, Work Ethic, and Time Management is key. Responsibilities will include: applications, course set up and water and crew management – you will be required to get out of the cart from time to time! We can design the internship to give you everything you are looking to learn – we look forward to assisting you in preparing for a career in this industry and helping polish your skill-set.

We have a fun and engaging crew in place that will keep you on your toes. An Intern that welcomes the opportunity to manage and work alongside the staff is necessary! Feel free to call or email with any questions that you may have. Résumé via email is preferred.

Grasses: Greens and approaches– A1/A4; Tees and fairways – Meyers Zoysia; Rough – Tall Fescue/Bluegrass
