

Hannibal Cavemen are in the process of searching for a candidate to be the Head Groundskeeper for the 2009 inaugural season. This description will include a facilities coordinator as well which will make it a full time position.

Duties shall include:

- **Help develop, oversee and manage the daily operation (physical and fiscal) of Clemens Field's grounds (includes playing field, berm seating, and all outside landscape.)**
- **Create budget and maintain annual operating budget.**
- **Coordinate and manage outside vendors.**
- **Multi-task and have excellent time management skills.**
- **Coordinate and assist in set up and management of concerts, festival, and other events held at Clemens Field.**
- **Will play a key role in Special Events as the point person on all production for concerts.**
- **Effectively manage hourly staff.**
- **Operate machinery and manage preventative maintenance for all equipment.**
- **Operating and maintaining irrigation systems.**
- **Handle concerts and other events that impact the turf.**
- **Maintain the field to Minor League Baseball standards.**
- **Act as Superintendent and Facility Manager of the Orpheum Theatre.**

Additional Duties:

- **Provide support to Operations & Events Entertainment in all aspects and functions.**
- **Work with government and municipal agencies in adherence to rules and regulations of applicable codes and inspections.**
